President's Message

Spring is just around the corner. What comes to mind for a lot of people is spring cleaning. For some this may be preparing garden or flower beds, airing out the house, or finally getting that closet cleaned out. How about cleaning up our waterways? We hope to participate with the Cranbury Environmental Commission and the Stony Brook Millstone Watershed to clean up Cranbury Brook. This is a great project for the Worldwide Week of Service to Protect Our Planet taking place in April!

Yours in Service,
Elaine Homoky
