

The Cranbury Lions held a join meeting with the **Jamesburg Leo Club** on Wednesday, October 22nd at the New Jersey Training School. At this meeting the Jamesburg Leos told us about their fundraiser of making key chains for several different cancer causes including breast and lung cancer. PDG John Kobland with assistance of Leo Advisor Alex Johnson inducted 5 new Leos. Leo President Anthony performed one of his poems, titled "Threshold." It was about his experience being on the Threshold of returning back into society. Anthony will provide a copy of the poem, which can be read at our next Lions meeting. Cranbury resident Phillip Moody spoke about "Attitude" which was about his experience when he "messed up" as a teenager and adjusted his attitude. Phil provided an uplifting message to the residents.

For those of you who are not Lions - Lions are the world's largest service organization and lives up to its motto of "We Serve" at the local, state, country and international level. Much of Lions work is done at the local level in Lions Clubs across New Jersey and the USA.

Cranbury Lions has made, and continues to make, important contributions to Cranbury in the form of financial support to worthy causes, physical gifts to the town and support to other organizations. We are men and women of Cranbury and are always open to those who wish to look us over and make a decision to join and carry on the 80 plus years of service legacy to Cranbury. You may join us for a dinner meeting, work with us on a project or talk with another Lion.

Lions - Here's what you can do: contact a friend or neighbor and invite them to a Lions meeting; talk with Lion Jon Goldstein or President Phyllis about someone you think would be an asset to our Club and willing to serve Cranbury; look inside your own family, religious and other relationships you have and tell them about your experience and invite them to a dinner meeting; ask a group if they would be willing to listen to a short presentation on the Cranbury Lions (Men's/Women's Clubs, PTO, social clubs.) Our club's service to the community depends on committed Lions who continue to make a difference in Cranbury, now and in the future.
